

# **A SPECIAL INVITATION**

## **MEET THE TEACHERS NIGHT**

**Thursday, September 4, 2008**

**6:30 – 9:00 p.m.**

We hope that you can attend our annual “Meet the Teachers Night” Thursday, September 4. We will begin the meeting at 6:30 p.m. in the auditorium. A brief meeting including the introduction of faculty members will be held.

Following the meeting, you will be given the opportunity to follow your student’s regular class schedule and meet each teacher, who will spend a few minutes explaining the course. Included in the explanation will be a brief outline and some objectives of the course, the grading system used, and homework expectations. There should be time for any general questions you might have.

We have included a blank schedule form. Ask your child to fill in his/her schedule so that you can follow it. Bring this schedule with you. If you have more than one child here, extra forms are available in the main office or your student can write the information on another paper for you. We think this is an excellent opportunity to find out more about your child’s education program, meet the faculty, and visit with other parents. After the last block, come to the cafeteria for snacks and refreshments provided by the Patrons’ Club.

Please join us for a very worthwhile evening.
